

## Invitation to the ADVANCE Erasmus+ Project Conference

### ‘Tackling the Digital Divide and Digital Readiness’

## Invitation to the ADVANCE Erasmus+ Project Conference

### ‘Tackling the Digital Divide and Digital Readiness’

SWAPWest are delighted to host the ADVANCE project conference at Glasgow Caledonian University on the 28<sup>th</sup> June. The European conference will launch the project materials, developed by our Erasmus plus project.

These include the Digiskill App highlighting digital skills for adults looking to return to education or develop their vocational skills (and meet Skilly) and a range of new online interactive workshop materials based on the European LifeComp and DigiComp frameworks. The focus of these is on developing skills to allow these groups of adults to Believe It / Develop It / Embrace It / Plan It and Achieve It.

In addition, we will be discussing digital inclusion and how we can work towards this in Scotland and Europe.

Hi, I'm Skilly and I am going to showcase the work of the ADVANCE programme at our final conference at Glasgow Caledonian University on Wednesday 28<sup>th</sup> June 2023 from 09.30 -15.30.

To confirm your place at this free event, register at <https://www.eventbrite.co.uk/e/tackling-the-digital-divide-and-digital-education-readiness-tickets-575800393477>

Why don't you come along to meet me and find out about our app and workshop materials for yourself?

If you are coming from outwith the UK, we can provide support up to 250 Euros on provision of an invoice from your organization for the first 25 delegates.

See you then!

Co-funded by the  
Erasmus+ Programme  
of the European Union

An innovative approach to reduce the Digital divide in Vocational Education and training
