What is a SCAPP Insight Webinar?

What?

SCAPP Insight Webinars are **free** sessions which aim to raise awareness of research findings, good practice in widening access and participation and any other relevant work happening across the sector in Scotland and beyond. They are an opportunity to share good practice, provide updates, spark ideas for collaboration or improvement and much much more.

When?

They usually run once or twice a month for 1 hour on a Tues, Wed or Thurs afternoon starting at 3 or 3.30pm with 40-45mins for a presentation followed by 15-20 mins for Q&A.

How?

The SCAPP Team promotes these to SCAPP members in SCAPP Update emails, on the SCAPP website and LinkedIn. SCAPP will create an MS Form to collate the email addresses of attendees and will add these to the webinar meeting invite.

Who?

SCAPP Insight Webinars are intended for those on the SCAPP mailing list but anyone with an interest in the session can sign up to attend.

Hosting

A member of the SCAPP team will host the webinar. This involves welcoming attendees, introducing the presenter/s and managing the Q&A post-presentation.

Next Steps

If you'd like to submit a *SCAPP Insight Webinar* proposal, please complete this online form and a member of the SCAPP Team will be in touch over the next few days.
If you have any questions, please email the SCAPP Team: scapp@stir.ac.uk
